

The Utah Quilt Guild (UQG) is a non-profit organization formed in 1977 to encourage, promote and preserve the art of quilt making in Utah.

To achieve these goals, the UQG fosters an appreciation of fine quilts, sponsors and supports quilt shows, teaches quilt making and seeks out and preserves the history of quilting and quilt makers.

The UQG is divided into geographic areas and the areas into chartered chapters. Newcomers are welcome at open chapter meetings. Meeting place and times are available on the UQG internet site and from the area representatives which are listed inside this brochure.

Membership in the UQG is open to anyone interested in quilts and quilt making. Annual membership dues are \$20.00.

The benefits of membership include: a subscription to the Beeline newsletter (which is on line); discounted entrance and workshop fees at UQG sponsored events; access to resource teachers; discounts at local UQG sponsoring quilt stores; access to the UQG large library of books and magazines; and the opportunity to interact with over a thousand dedicated quilters!

The Beeline, published eleven times a year, includes area and chapter activities, articles about and by local quilters, dates and times for upcoming quilt shows, contests, patterns, tips and reviews.

An annual "Quilt Festival" for the entire UQG is held each fall and includes a judged quilt show, workshops with local and national teachers and a merchant's mall. The UQG also sponsors other quilt shows, workshops and lectures during the

year.

As a non-profit organization, the UQG and its chapters are involved in many different community service projects.

Guild members participate in many service projects. We also support Susan G. Komen for the Cure® for breast cancer research, in addition to multiple other quilts being made for local charities.

Our members are so giving of their time, supplies and talents. Quilters are a special unique breed of people.
